- I created a few websites for small businesses.
- It taught me to be independent.

PROJECTS

Stock Charts App

React, Redux, Node.js, MongoDB, Express, Bootstrap

The application displays the stock chart of the selected company. After logging in, you can subscribe to your favorite chart to see it in the subscribed tab.

Registration App

React, Redux, Node.js, MongoDB, Express, Bootstrap

The application consists in registering a day in the calendar. Current registration is displayed in the Home tab.

Barber Shot

HTML, CSS, JavaScript, Bootstrap

My first commercial project for the barbershop.
